M.5 GEN[®] Technology

Extraordinarily Advanced. The M.5 GEN[®] Technology encompasses an array of key technological advancements that work in tandem to create a massage chair that knows massage well, and one that knows you better. Experience massage rejuvenation like never before.

THE TOUCH

A key feature of the aLIVE TOUCH™. Isolated Thermal silicone rollers ensure an even dispersion of Thermal Heat, maximising the effectiveness of Heat Therapy. Its tensile properties provide a strong yet delicate touch similar to that of human hands, giving life to the massage.

Precision Sensor + Acupressure Point Detection Sensors

Precision sensors deliver real-time detection and analysis of your body, key acupressure points and sore spots. Learns about you and your needs extensively.

THE MOVEMENT

A key feature of the aLIVE TOUCH™. Smooth, precise, in-depth motions in its own class. Just like the joints of the human hands, the mechanism's high flexibility of movement enhances the range and massage coverage of each individual massage roller for enhanced accuracy and intensity.

M.5 GEN® Microprocessor (Advanced Technology)

High Performance Microprocessor utilises a unique algorithm to Adapt and Create the most healing and comforting massage therapy for you.

Technology, Designed from the Heart.

It's what we feel from the inside that matters.

LEARNS ABOUT YOU

Unique body structure, fatigue points and sore spot targeting.

ADAPTS TO YOU

36 Major Acupressure Point Targeting.

CREATES FOR YOU

Essence of Eastern Medical Practices and Real-Life Chiropractic Massage Techniques.

A close-up photograph of a car's armrest control panel. The panel is made of a dark, metallic material with a brushed finish. It features a central rotary dial with a black face and white markings, including a power symbol and the text "4D NAVI". Below the dial are several buttons: a power button, a crown icon button, and four directional buttons labeled "Calves", "Knees", "Feet", and "Back". The armrest itself is upholstered in dark leather with a quilted pattern and white stitching. The background is a blurred view of the car's interior.

Small Details, Big Difference.

M Drive Navigator

Now you're in control. Conveniently placed on the armrest, the M Drive Navigator gives you complete command at your fingertips. Push start to power up the Master Drive Plus.
